dolce dormire

The fixed slat bedspring Eco with iron structure combines the practicality of the more sophisticated systems to a strictly essential structure that ensures the natural support of the body.

METAL BEDSPRINGS SLAT BEDSPRINGS ECO

The fixed slat bedspring Eco with iron structure combines the practicality of the more sophisticated systems to a strictly essential structure that ensures the natural support of the body.

It has a shaped profile (40 x 30) and it is painted with epoxy powder of high strength. The bedspring is made up of 14 slats in beech wood (6.5 x 0.8 cm; 2⁹/₁₆in x 0¹/₃₂in) with screw foot. In the double version, it has a central reinforcing bar that ensures a perfect durability of the bed.

Achievable measures:

Width of cm: 80/85/90/95/100 - 120/140 - 160/165/170

Width of in: 31¹/₂in /33¹⁵/₃₂in /35⁷/₁₆in/ 37¹³/₃₂in/ 39³/₈in - 47¹/₄in/ 55¹/₈in - 62⁶³/₆₄in/ 64⁶¹/₆₄in/ 66⁵⁹/₆₄in

Length of cm: 190/195/200

Length of in: 74⁵¹/₆₄in/ 76⁴⁹/₆₄in/ 78⁴⁷/₆₄in
