THE MATTRESS

Giotto Big is made of a water foamed polyurethane inner slab. It is a completely ecofriendly product without CFC and harmful chemicals.

Elasticity, texture and the horizontal cut of the material provide an adequate support to the spinal column, correct posture and rest assured.

Its breathability dissipates heat and humidity and preserves the ideal temperature to avoid the proliferation of mites and the onset of allergies.

It is coated with a first cotton jersey fabric removable by zip.

The mattress cover is made with antiacarus textile, soft padding, internal jersey and it is completely washable with water.
